### During Volunteer Week

Hi everyone,

This week, during National Volunteer Week, we want to say a huge thank you to our volunteers.

Because of you, we were able to contribute over [**X volunteer hours / serve X people/support X families**] this past year. That impact is real—and it's only possible because you showed up.

Your time, your dedication, and your heart move our mission forward every single day.

And if you're watching this and thinking about getting involved, now is the perfect time. Join us, volunteer with us, and be part of the impact.

From all of us, thank you for making a difference.

### After Volunteer Week

Hello everyone,

As we wrap up National Volunteer Week, we wanted to take a moment to thank the volunteers who helped us this week.

Because of your generosity, we logged more than **[X volunteer hours / reached X individuals / completed X projects]** this week alone. That's real impact—and it's changing lives.

Your commitment turned compassion into action, and we're so grateful for the time and energy you gave.

If you're watching and wondering how you can help, we invite you to join us throughout the year. You can continue to volunteer with us, share your skills, and be part of something meaningful.

Thank you for everything you do—today and all year long.
